I Certify that I have performed the I/M test according to Salt
Lake County I/M rules, including health regulation # 28

I certify that to the best of my knowledge the information

In this report is true and correct (owners signature): _____

Your vehicle passed the I/M test, your participation in the I/M Program is helping to clean The air! Each year thousands of tons of air pollution are not emitted into the atmosphere Because of the I/M programs. High levels of automotive air pollution affect the health and Welfare of many Wasatch Front residences. Since I/M Programs began, the number of days that pollution levels exceed standards has dropped substantially.

We request your further help in reducing air pollution, particularly during times of severe Temperature inversions when pollutants are trapped in our valleys. At these times:

1. Minimize travel, use ride sharing and public transit when possible.
2. Minimize the use of wood stoves and fire places.

For current air pollution information call 485-7226 in Salt Lake County. Your Efforts to Control air pollution help and are appreciated.

THANK YOU. IF YOU HAVE ANY QUESTIONS REGARDING THE I/M TEST CALL 485-7226
